Best material, good workmanship, handsome styles, strong and durable Vehicles in every respect.

70,000 CARPIAGES.

Manufactured by EMERSON, FI AER & CO., are now in use in every part of the American Continent. They give unfalling satisfication. All their work is warranted. They have re-ceived testimonials from all parts of the country of purport similar to the following, hundreds of which are on file subject to inspection:

GALVA. ILLINOIS, July 16, 1879.

Meses Emerson, Nater & Co.: I have used one of your Top Buggles three years in my libery stable, and they have given me perfect satisfaction and are in constant use.

OSCAR SMALLEY.

NEWBERRY, S. C., July 17, 1879.

Alassi. Copport & Johnson—Dear Sirs: I have been using the Emerson & Fisher Buggy I hample from you as roughly I suppose as any one could. I had a fast horse, drove him at full speed, stratimes with two grown ladies and mycelf in the buggy, and it is to-day worth all the money I pald for it. I say the Emerson & Fisher Buggles will do.

A. M. TEAGUE, Farmer.

The favorable reputation the Carriages have made in localities where they have been used for several years by Liverymen, Physicians, Farmers and others requiring lard and constant use, has led to an increased demand from those localities, to meet which the manufacturing facilities of their mammeth establishment have been extended, enabling them now to turn out in good style,

ATTENTION, STOVE BUYERS!

HAVE just received a new lot of STOVES, which every one shot id examine before purchasing. The NEW REGULATOR is the latest invention in the Stove line, and is a model of convenience. It has a revolving centre, that obviates the trouble of lifting vessels from one hole to another, a double automatic shelf, a very convenient arrangement for cleaning out ashes, and in every respect a greater improvement on anything in the Stove line ever offered in this market.

My stock of THNWARE is complete, and will be sold at New York prices.

THE ROPFING.—I have put on over 150,000 square feet of Tin Roofing this Summer, and for the efficiency of the work I refer to those for whom it was done, among them the Probyterian Building Committee, Mr. Stephen McCully and A. H. Osborne.

THE STEAM COOKER Continues to receive the praise of every one who uses it. The following certific only two of a large number received, all of which attest its superior advantages:
